

Tuesday, April 14th, 2009

Dear Parents/ Guardians,

In consultation and with support from our school council, St. Christopher is happy to announce an exciting healthy snack option available for purchase beginning this week. Starting Thursday April 16th, 2009 we will be selling bags of Kernels popcorn during the lunch hour. In keeping with our healthy school initiative, we have ensured that our flavour options are free of cholesterol, Trans Fat free and made with 100% sunflower oil.

Flavours will include **white cheddar** and **butter salt**. Bags of popcorn will be sold at \$2.00 each. Student representatives in grades 2 and 6 will be coming around to each classroom during the lunch hour for any students interested in purchasing popcorn. To accommodate our morning and afternoon JK/SK classes, special arrangements will be made during the scheduled snack time. All proceeds will go towards our 2008/2009 yearbook.

Popcorn will be available for purchase on the following dates:

Thursday April 16th, 2009

Thursday April 23rd, 2009

Thursday April 30th, 2009

Thursday May, 7th, 2009

Thank you for your continued dedication to keeping our school a healthy environment.

Mr. Mayne

Miss. Vermeer

Mrs. Moyer
