March continues this Lenten Season, and we, as a Catholic School Community, continue to pray, support each other and the global community, and fast in such a way that we work to better ourselves or improve a situation. We look forward to celebrating our Lenten Mass with you on Tuesday, March 8th.

**Lenten Reflection**

"As Lent is the time for greater love, listen to Jesus' thirst...'Repent and believe' Jesus tells us. What are we to repent? Our indifference, our hardness of heart. What are we to believe? Jesus thirsts even now, in your heart and in the poor -- He knows your weakness. He wants only your love, wants only the chance to love you." -- *Blessed Teresa of Calcutta*

On behalf of the staff and students of Guardian Angels Catholic School, we wish everyone a very safe and enjoyable March Break. We look forward to a wonderful and warm spring term!
March’s Virtue is KINDNESS

What is KINDNESS?

We demonstrate the virtue of Kindness when we: try to understand others using attentive listening skills; forgive others who make mistakes; give compliments to others; and when we put the needs of others before your own personal needs (JOY = Jesus before Others and Yourself).

Jesus taught us that we are all children of a loving God. At Guardian Angels Catholic School, we believe that each child is created in His image and are valued as unique individuals and important members of our community and society. We strive to create an atmosphere here that promotes cooperation with one another in a spirit of mutual respect and understanding as children of God especially in this the Year of Mercy.

† To the people who continue to volunteer in our school, your generosity and assistance is appreciated. Thanks also for submitting Criminal Reference Checks and Declaration Forms.

† To the Catholic School Council members for their continued hard work and commitment, supporting Shrove Tuesday, our Family Wellness Night, Movie Night and upcoming initiatives.

† To the parents who are checking the student agendas and signing them on a daily basis. Your cooperation is appreciated. All parents are asked to continue this school-wide practice throughout the year.

† To Miss L. Rattray, Miss K. Rattray, Mrs. Aguilera, and Mme Tam for coaching our basketball teams for our school this year. Our players have shown a great deal of dedication and enthusiasm throughout the season, displaying tremendous skill and sportsmanship on the court.

† To our Grade 6 and 7 students who graduated with flying colours from the B.R.A.V.O. program in February. We thank Constable Andrea Parker for her efforts in providing this worthwhile program for our students.

† To our parent volunteers, staff helpers and our Grade 7/8 student servers who made Shrove (Pancake) Tuesday such a great success once again this year.

† To our school Hockey Team and their coaches - great start in their inaugural season of play – we thank you for your dedication and support!

LENTE FUNDRAISER

From Monday, March 21 – Thursday, March 24, members of our school Faith Team will be selling “SMENCILS” – scented pencils for $2.00. We are hoping to raise funds to support Free the Children’s Adopt-a-Village charity initiative. As they say – “It takes a village to raise a child” – working together, there is no limit to what we can accomplish as a Catholic school community!
ADDITIONAL P.A. DAY
– FRIDAY, APRIL 8, 2016

We would like to advise you about an additional Professional Activity (P.A.) Day that will take place later this year on Friday, April 8, 2016. This will be in addition to the one scheduled for Friday, April 22.

Last year the Ministry of Education and the federations representing Ontario teachers took part in a centralized bargaining process. One of the negotiated terms of settlement that came to be as a result of this process requires each school board in Ontario to provide an additional Professional Activity (P.A.) Day, beginning this school year (2015-2016), and moving forward. The Ministry of Education asked school boards to provide the additional P.A. Day this year before April 15, 2016.

In consultation with the Halton District School Board, the extra P.A. Day will be provided this school year across Halton schools on Friday, April 8, 2016. There will be NO classes for students on this day.

The revised 2015-2016 school year calendar dates have been posted on the Board’s website and may be viewed at: http://www.hcdsb.org/Calendar/Pages/2015-2016-School-Year-Calendar.aspx.

For more information about the centralized bargaining process, please visit the Ontario Ministry of Education website at: http://www.edu.gov.on.ca/eng/new/2015/updates.html.

WHO DELIVERS SPECIAL EDUCATION PROGRAMMING?

Did you know that there are many dedicated professionals who are part of the special education program, including the classroom teacher?

The classroom teacher assists in IEP development and is responsible for ongoing implementation, monitoring and assessment. Educational Assistants (EAs) provide additional support within the classroom.

Support is also provided by staff with special education training including Special Education Resource Teachers (SERTs) who work within each school. Itinerant SERTS are assigned to a family of schools, as are Special Education Consultants. The Consultants coordinate and oversee many supports and resources (including the itinerant SERTS) which may include: communicative disorder assistants, speech language pathologists, social workers, sign interpreters and audiologists, and many others. Consultants are a resource for all stakeholders and help to navigate difficult situations.

Board Psychologists and Psychometrists conduct and review (private) assessments to determine if special education services are needed. Psychology staff also work closely with Social Workers and Child and Youth Counsellors to address mental health issues. Be sure to check in with us next month to learn more about the importance of Mental Health in our schools.

Please visit our website: www.hcdsb.org/Programs/SpecialEducation/SpecialEducationPlan/Pages/Special-Education-Staff.aspx for a more complete list of available resources.

GRADE 2-6 ONLINE MATH PROGRAM

Are you interested in having your child engage in some fun and interactive math at home? We have a new online resource that we are offering for all Grade 2-6 students in the board.

This online Math tool was created by Pearson Education and is called “SuccessMaker”. Throughout their extensive research, they found that students made significant gains in Math after the allotted 10-16 hours of using this program. A minimum of 20 minutes per day, 4 times a week for 10 weeks is required to complete the program and there is absolutely no cost involved for families.

Simply enter this link https://survey.hcdsb.org/successmaker.aspx into your tablet or other electronic device to register your child.
For additional information, please contact Angie Barden at bardena@hcdsb.org

HOMEWORK HELP – MATH SUPPORT FOR GRADE 7-10 STUDENTS

If you’re a parent worries about how to support your child’s math homework questions, don’t worry! An exciting online initiative designed to help students succeed in mathematics is available.

The Ministry of Education and the Independent Learning Centre have launched Homework Help, an interactive website for our students in Grades 7-10. Students simply log-on at www.homeworkhelp.ilc.org and using a chat room can obtain personalized tutoring from a certified Ontario math teacher. Chats take place Sunday to Thursday between the hours of 5:30 - 9:30 p.m. Homework Help is free, live and anonymous!

If you are looking for a fun and interactive way to engage your child in enhancing math skills, try Prodigy Math Game. This interactive math site is free and aligns with the Ontario Math curriculum expectations for students in Grade 1-8. Check it out at https://www.prodigygame.com .

WAY TO GO GA! GREAT PARTICIPATION ON PINK T-SHIRT DAY!

March Break takes place March 14 to 18, 2016 inclusive. There will be no classes during this week. Students return to school on Monday, March 21, 2016.
BUILDING POSITIVE ASSETS

In the Halton Catholic District School Board, positive assets are:

- A way to collectively understand, promote, and measure positive child and youth development;
- Created to clarify the positive relationships, youth competencies, self-perceptions, and values needed for children and youth to succeed;
- Grounded in research evidence - children with many assets are more likely to develop positively and less likely to participate in risk-taking behaviour.

For this reason, building positive assets in our students is identified as an initiative that supports our collective work to achieve the desired outcomes for many of our strategic priorities (mental health, student retention, responding to/meeting the needs of all learners, student and parent engagement, etc.)

In 2014, The Search Institute developed a framework called Developmental Relationships® with a focus on a broader web of 5 critical relationships that children need to succeed – Express Care, Challenge Growth, Provide Support, Share Power, and Expand Possibilities. These relationships between a young person and adult and/or between a young person and a peer can powerfully and positively shape their identity for years to come.

Our focus during the month of March is the Challenge Growth dimension – insisting that a student try to continuously improve.

- Inspiring – helping others see future possibilities for themselves
- Expecting – making it clear that you want others to live up to their potential
- Stretching – recognizing others’ thoughts and abilities while also strengthening them
- Limiting – holding others accountable for appropriate boundaries and rules

GUARDIAN ANGELS CATHOLIC SCHOOL PUBLIC SPEAKING FESTIVAL

Our students in Grade 4 - 8 have been involved in creating and delivering original speeches in February. 10 students in total (2 per grade level) will advance as Finalists for our Public Speaking Festival on Thursday, March 3 at 1:30 p.m. Good luck to all of our finalists!

One student will be chosen to represent our school at the Milton Finals which will be hosted at Queen of Heaven School later on Wednesday, March 30 at 7:00 p.m. More details will follow in next month’s newsletter...

CATHOLIC EDUCATION WEEK 2016

Catholic Education Week has been designated for the week of May 1-6, 2016. As always, Catholic Education Week begins on Sunday to highlight the parish-home-school partnership that remains the foundation of Catholic education. The Ontario Catholic School Trustees Association is pleased to announce the theme for Catholic Education Week 2016: "Opening Doors of Mercy." A variety of activities is also being planned. More details will follow in next month’s newsletter.

EARTH HOUR

Saturday, March 19, 2016 - 8:30 to 9:30 p.m.

This event is more than switching off unnecessary lights for one hour, once a year. It’s a reminder that we can all participate to make a difference, conserve energy 365 days a year, and reduce greenhouse gas emissions. By participating in Earth Hour, you are sending a message that you want to be part of the solution. For more information on Earth Hour initiatives visit: http://wwf.ca/earthhour/

REMINDER...SPRING FORWARD

Sunday, March 13, 2016 marks the beginning of daylight savings time. Make sure that you set your clocks ahead one hour before going to bed on Saturday, March 12, 2016.
**“IRISH SPRING” DAY – FRIDAY, MARCH 11**

Students are encouraged to participate in Guardian Angels School’s second Spirit Day of 2016. On Friday, March 11, we ask students to wear “Irish Spring” colours - GREEN and GOLD to celebrate St. Patrick’s Day. This will be a non-uniform day and students participating are asked to bring in $1 or $2 to support the work of Big Brothers Big Sisters of Halton.

**HALTON CATHOLIC STAFF APPRECIATION DAY – MARCH 10**

The Halton Catholic District School Board employs more than 3,500 staff in various roles, whose daily work, dedication and commitment contribute to the success of our school system.

On Thursday, March 10, 2016, we will recognize and celebrate the staff members in our school community, who make such a difference in the lives of more than 31,000 students, entrusted to our care each day. We extend congratulations to all of our Board employees for the caring and generous ways through which you help our students grow in their Catholic faith and expand their knowledge, while developing important life skills and their love of learning. You do make a difference as you share the spirit of your profession!

Congratulations to all H.C.D.S.B. employees on Staff Appreciation Day!

**GUARDIAN ANGELS SCHOOL YMCA SCHOOL AGE PROGRAM**

Guardian Angels YMCA School Age Program spaces are available in the before and after school programs. For more information on YMCA Programs, call 905-943-9622 ext. 750 or 905-699-3000 or email GuardianAngels@ymcagta.org

**BATTLE OF THE BOOKS UPDATE**

*Battle of the Books* is a competition run by the Milton Public Library. It encourages young people to read a wide variety of books, fosters friendly competition and nurtures a love of books and reading. Congratulations and thank you to all the students who tried out for Guardian Angels Catholic School’s Battle of the Books Team. Many students tried out and it was difficult choosing the teams.

**Junior Team**
Jake B., Thomas B., Jaelyn H., Amelia K., Lucas L., Maria M., Sophia P., Celina T., and London Z.

**Coaches**
Mrs. Conte, Mrs. DaPrat, Mrs. Houlihan, Mrs. Lee and Mrs. Van Item

**Senior Team**
Lauren B., Juliana C., Charlotte D., Tristan G., Sean J., Alyssa K., Lorelai M., Adriana M., and Liam S.

**Coaches**
Mrs. Brimo, Mrs. Crickmore and Mrs. Mills

The Junior Battle will take place Monday, April 11 and the Senior Battle will take on Monday, April 18 at the Milton Public Library, Beaty Branch.

**AN IRISH BLESSING**

May God give you…
For every storm, a rainbow,
For every tear, a smile,
For every care, a promise,
And a blessing in each trial.
For every problem life sends,
A faithful friend to share,
For every sigh, a sweet song,
and an answer for each prayer. Amen.
HEALTH AND SAFETY

Supervision of Students before School

Parents are reminded that supervision of students on the school yard begins at 8:10 a.m. If you arrive at school with your child/ren prior to 8:10 a.m., please remain with them until the yard duty supervisor comes on the yard. Should you leave before a supervisor is present and an accident/injury should occur, there would be no one to assist your child/ren. This is a serious safety concern. We want all of our students to be safe at all times. For the safety of your child/ren, please ensure you respect the 8:10 a.m. timeline. Thank you for your support and cooperation.

Side Doors/Late Slips

After the morning bell rings and all classes have entered the building, students are to enter the school through the front doors and are required to report to the main office to pick up a late slip. Primary students will be escorted to class by a buddy. Parents/caregivers of late students are asked to say goodbye at the office as students receive their late slip and proceed directly to class.

Entry and Dismissal Safety

It has come to our attention that a number of students are coming late to school each morning and are being picked up late at the end of the day. It is important that students arrive on time for school each morning and are picked up by parents/guardians promptly at the end of the day. Our school day begins at 8:30 a.m. and ends at 3:00 p.m. Please ensure that your child/ren arrive at school in time enough to line up with their classmates at 8:30 a.m. Please call the school to report all student absences and late arrivals before 8:30 a.m. If you are running late at 3:00 p.m., please make alternate arrangements. There is no after-hours supervision in the main office. Thank you for your ongoing cooperation and attention in this matter!

Early Departures & Lunch Hour Procedures

Students who are leaving school outside of normal dismissal times need to be picked up at the main office. Please send a note to the teacher stating the time your child is to meet you at the office. Please be aware that no child will be allowed to leave the school without a signed and dated note from their parent/guardian. The office must also be aware if students are to be picked up by anyone else other than their parents/guardians.

In keeping with our Board policy, students may remain at school for lunch at the Principal’s discretion, providing that lunchtime rules are followed at all times. At the beginning of the school year, you are asked to complete a form indicating student lunch arrangements (i.e., whether a student remains at school for lunch or goes home).

To change these arrangements, it is necessary to provide written permission from a parent or guardian. These arrangements must be made ahead of time and each time the lunch routine varies. Please note that “standing notes” indicating that a student can leave school anytime s/he chooses are NOT accepted. As a school staff, it is important for us to know each time a student leaves our care at noon hour. That permission has been given, and that parents know the exact whereabouts of their child. We appreciate your cooperation and support with this important supervision and safety issue.

Allergies & Nutrition

Please remember that we are an Allergen-Reduced environment. For the safety of all students, please refrain from sending any pea/nut products with your child. For birthday treats, please consider non-food items for student sharing, such as pencils, stickers, erasers etc.

Physical Education Instruction

A reminder: students participating in our Physical Education program require proper phys-ed attire (as outlined in our physical education curricular guidelines). Individual classroom teachers have reviewed these expectations with students. Running shoes with non-marking soles are required in the gym; outdoor shoes are not acceptable. We also require that students have indoor shoes for use during the school day for their own safety so that we can avoid mishaps from the mud, snow, dirt and water tracked into the school.

Early Departures & End of Day Dismissal

One of our school goals is to preserve classroom instructional time. To this end, we seek to minimize and/or eliminate disruptions to instructional time in our classrooms. We would ask you that ensure the following:

If you are changing your child/ren’s regular dismissal routine, please be reminded – Our office is a very busy place and we cannot guarantee that every message can be relayed to students before the end of day. As we wish to limit these situations, as well as limit disruptions to classes to deliver these messages, we ask that you please make arrangements ahead of time using the student agenda and notes to the school.

We thank parents for your support in ensuring that interruptions to classroom instructional time are kept to a minimum!

After Hours Custodial Requests

Our afternoon/evening custodial staff are not available for family requests to open portable doors or the main doors to the school in order to retrieve their child/ren’s forgotten items. This is a safety and security concern as the evening staff do not know the students and their families like our regular daytime school staff. We appreciate your cooperation and understanding in this matter.
**KISS & RIDE – SAFETY RULES**

We continue to monitor the parking lot and encourage parents to follow our parking lot procedures in the interest of safety for all of our students. Please note that Kiss & Ride is available on both the EAST and WEST side of the building.

- Just a reminder that you are asked NOT to get out of your car if you are using the Kiss & Ride procedures. If you need to get out of your vehicle, please park in a designated parking spot
- No reversing in the Kiss & Ride lanes for student safety
- Please observe the “NO PARKING” signs posted.

**GRADE 3 & 6 EQAO ASSESSMENTS OF READING, WRITING AND MATHEMATICS**

Similar to previous years, our Grade 3 and 6 students will participate in the Education Quality and Accountability Office (EQAO) Primary & Junior Division assessments of Reading, Writing and Math during the weeks of May 25 - June 8, 2016. If your child/ren are in Grade 3 or 6, please plan for them to be present during these dates.

Grade 3 and 6 students will be required to complete 3 test booklets: 1 mathematics booklet, 1 reading booklet and 1 writing booklet. Questions will be familiar to your child as they are based on work your child has been doing throughout the year. The total amount of time that the students will spend on the testing will be 6 hours that is spread over the course of 3 days.

For test samples and other Parent Resources, visit the EQAO website at [www.eqao.com](http://www.eqao.com). We look forward to our fun EQAO Family Night. Families are invited to attend on **Monday, April 4**. This will be a perfect opportunity to learn how to support your child’s learning. More details to follow…

**LEARNING LITERACY**

Reading out loud or along with your child/ren each day has tremendous benefits:

- It exposes your child/ren to good models of reading and allows them the opportunity to develop fluency (the ability to read smoothly)
- It exposes children to topics beyond their range of experiences and to share new interests
- It allows parents to demonstrate their passion for books
- It provides parents and children the opportunity to discover and review parts of a story

*Just 5 minutes talking about the story and reviewing details once it has been read will do the trick.*

**What do you talk about?**

- Look at all the pictures in the story and talk about the things your child notices. Then, together decide where the story took place (setting), who the main characters were, and what presented as their problem/situation/challenge
- If your child can identify the problem, then together go on a story hunt. Look in the story to find ways the main character tried to solve the problem/challenge
- Talk about and together agree on what the solution to the problem was

Please remember that reading out loud or along with your child/ren is one of the **MOST** successful ways to help them become proficient readers. **And it is FUN too!**

**ONLINE WEBSITE SURVEY**

This message is to let you know that a **School Website Survey** has been developed to help us better understand how parents are currently using their school website. Please be advised that the results from the survey will help guide us as we re-develop our school website over the next few months.

Survey responses will be collected to inform our individual school community, and to inform us about our system-wide district needs. Thank you in advance for participating!

ONLINE UPDATE

In case you haven’t heard, online payments for School Cash Online can now also be made by credit card. Parents have easy access to make online payments for a variety of student activities, providing greater flexibility and control on how payments are made to the school. This new online payment method will also help reduce the risk of theft and cash misplacement. For safety and efficiency reasons, we want to reduce the amount of cash and cheques coming into our school. Right now, we have 73% of our school community on board!

Register online at https://hcdb.schoolcashonline.com by selecting “Get Started Now”. After you receive a confirmation email, please select the ‘click here’ option, log in and add each child to your household account. If you have any questions, please select the GET HELP option in the top right hand of the screen or contact the Help Desk 24/7 at 1-866-961-1803.

EASTER REFLECTION

Love overcame, emerging from a cold tomb,
All the truth, majesty and creativity of a living God,
Transforming a broken heart,
Making a quiet return, in a still and sorrowful garden.
The gravestone rolled away to release redemptive love.

Jesus resurrected and restored,
 comforts a weeping woman;
Speaks with travellers on a journey;
Meets with his faithful friends
And they bow down before Christ alive
And acknowledged that the Saviour has arrived,
That the word of God has come alive,
And that the extraordinary transformation of heaven and earth is complete!

Julie Palmer

Wishing you a very restful March Break and joyous Easter with your family!
from
Mrs. LoPresti, Mr. Crowell, Mr. MacDougall and Guardian Angels Catholic School Staff

IS YOUR FAMILY MOVING?

If your child/ren will not be returning to Guardian Angels Catholic School in September 2016, please contact our secretary Mrs. Boyle in writing or by calling the school at 905-876-2386 as soon as possible. If you have already enrolled your child/ren in the Grade 1 French Immersion or Grade 5 Extended French programs at St. Benedict School, please let us know so that we can transfer their student records accordingly. Please note that this process does not include students presently in Grade 8 going into High School. Even if you are just moving to a new home that is still within our school boundary, we still need you to contact us so that we can update your family’s contact information. If you know of any families who need to register their child/ren for the Fall especially Kindergarten placements, please have them come in to register at our Main Office as soon as possible. We appreciate your support in helping us plan accordingly for the coming school year this Fall!
