

Dear Parents of Bright and Gifted Children in Halton:

The **Association for Bright Children of Ontario** (ABC Ontario) is an all-volunteer, provincially incorporated support and advocacy group, with many chapters across Ontario. It is dedicated to providing information and support to parents of bright and gifted children/adolescents through newsletters, networking, an annual conference and local workshops. It offers the parents' voice to local school boards, educators, professional groups and the Ontario Ministry of Education and Training.

The Halton Chapter of ABC is currently updating its email database and switching to a Yahoo! Groups email list. You may already be a member of ABC Halton and on our old mailing list, but we are not automatically subscribing current members to the new email list to ensure that the new list contains only accurate email addresses and that all on the list wish to receive news and notices from ABC Halton. **It is therefore very important that you sign up to the new Yahoo list if you wish to continue receiving notices from ABC Halton.** Please note that signing up to the email list is NOT the same as renewing your membership to ABC, or becoming a member. For membership information, we encourage you to visit www.abcontario.ca.

To join the new Yahoo! Groups email list, please contact Phyllis Smith at psmith@in-the-know.com and you will be sent an Invite to the Yahoo!Groups list. There is no charge associated with joining the email list.

Respectfully,

ABC Halton
